

PRESS RELEASE

HUDDLESTOCK FINTECH AS (HUDL) – UN Global Compact Signatory.

(Stavanger, NORWAY – 5 August 2021) Huddlestock Fintech AS (OSE: HUDL) is delighted to be part of the UN Global Compact.

Huddlestock Fintech AS (OSE: HUDL) is delighted to be part of the UN Global Compact, the largest corporate sustainability initiative in the world, with more than 9,500 companies and 3,000 non-business signatories based in over 160 countries, and more than 60 Local Networks.

“Signing up to the UN’s Ten Principles on human rights, labour, environment and anti-corruption, and delivering on the (UN) Sustainable Development Goals is an integral part of Huddlestock’s corporate strategy, organizational culture and ethos. We believe in technology as an important partner in tackling the global challenges our world faces today. Through technology, business can create new and innovative solutions, contributing to the advancement of the Global Goals for our global and local communities in a sustainable and responsible way. Signing the UN’S Ten Principles is an important step for Huddlestock.” (John E. Skajem, Huddlestock Fintech CEO).

The United Nations Global Compact is a special initiative of the UN Secretary-General and is a call to companies everywhere to align their operations and strategies with ten universal principles in the areas of human rights, labour, environment and anti-corruption. Launched in 2000, the mandate of the UN Global Compact is to guide and support the global business community in advancing UN goals and values through responsible corporate practices.

About Huddlestock Fintech:

Huddlestock Fintech AS was listed on Euronext Growth Market 26 November 2020, as Norway’s first fintech company to be publicly traded. Huddlestock Fintech is a company that develops and implements unique software as a service-solutions for digitizing work processes for custody banks, asset managers and trading venues.

The open, compliance-optimized and data centric wealthtech platform allows our customers to offer a differentiated real-time product that reduces cost and increases efficiency. Huddlestock Fintech's technology enables end-to-end digital services such as onboarding, client communication, reporting, order execution and portfolio management, all executed on the same platform.

Huddlestock has developed two technology solutions, Apex (Custody) and Bedrock (Connectivity). Apex is a software as a service-solution that links custody services with asset managers and individual investors. Bedrock provides a white label solution that is primarily a product for financial services firms wanting to add low cost-efficient trading and investing services to their client web and app offerings.

Through its world-class expert consultancy Visigon, Huddlestock delivers strategic technology solutions and process automation for the financial services industry. Founded in 2010, Visigon has grown into becoming the preferred supplier of financial consultancy services and technology providers in the Nordic region. Visigon became part of the Huddlestock Fintech family in 2021.

Huddlestock Fintech has offices in Oslo, Stavanger, Copenhagen, Stockholm, Munich, Paris and Kuala Lumpur.
