

PRESS RELEASE

(Stavanger, NORWAY – 27 October 2022) Huddlestock Fintech AS (OSE: HUDL) Completion of acquisition of F5 IT AS and share capital increase.

Reference is made to the stock exchange release by Huddlestock Fintech AS (“Huddlestock”) published on 9 May 2022, announcing the acquisition of the software developer F5 IT AS. The agreement was successfully completed on 26 October 2022.

The acquisition was planned to be carried out by way of a share swap between the parties, with Huddlestock transferring 6,666,667 treasury shares to the seller. Upon executing the agreement, the parties have instead chosen to settle the purchase price for F5 It AS by issuing to the seller 6,666,667 new shares (the “**Consideration Shares**”) in Huddlestock by way of a share capital increase in Huddlestock. The choice of closing the transaction by issuing the Consideration Shares was due to Huddlestocks’ preference in maintaining the current holding of treasury shares for potential new opportunities arising.

The share capital increase was resolved by the board of directors of Huddlestock on 26 October 2022, whereby the Consideration Shares were issued each with a nominal value of NOK 0,0019 per share, in total a share capital increase of NOK 12,666.6673. Following the registration of the capital increase, Huddlestock will have 135,409,615 issued shares and a share capital of NOK 257,278.2685.

The seller has entered into a three-year lock-up agreement for a total of 5,714,286 of the Consideration Shares, each with 952,381 shares being released from the lock-up each consecutive 6 months.
